WELCOME TO GOLDSBOROUGH MANOR

We want to help you through the experience of choosing our care home for yourself or a loved one

Here at Goldsborough Manor we appreciate that the decision to move into a care home can be a complex, sometimes confusing and often an emotional time.

Our aim is to give you as much help and assistance in this very important process to ensure that you make the right decision, the one that is the best for you or your loved one.

Our experience has shown that there are many benefits of moving into a care home and the key ones include: 24 hour care and assistance, alleviation of social isolation, promotion and maintenance of independence.

This brochure aims to highlight the benefits of a good care home; round-the-clock assistance, friendly faces every day, companionship and for many residents, the renewed confidence and independence that being supported by our dedicated staff can bring. It also includes a useful checklist so you know what to ask and what to look for in any home you visit.

We hope this brochure gives you all the information you need to start this important journey with us. Of course, if you would like to discuss anything in detail, or have a specific question, please contact our office on **01904 237671**.

OUR VISION

To provide a safe, happy and homely environment for our elderly residents to enjoy a full active life and be well cared for in first class facilities. Residents will be appreciated and valued as individuals, their privacy and dignity maintained at all times.

Crown Care Group is committed to providing the highest possible standards of care where our dedicated team are trained to a high degree and are available 24 hours a day. Goldsborough Manor is a vibrant, welcoming care home, actively promoting independence and choice.

Goldsborough Manor

Goldsborough Manor Care Home is nestled in the picturesque village of Strensall, York, and offers luxury living in a warm, welcoming environment.

With easy access to local transport links and just a short trip from the vibrant York City Centre, Goldsborough Manor is perfectly situated for both convenience and tranquillity.

The home features sixty-two spaciouly designed bedrooms, each equipped with an en-suite wet room. Several ground-floor rooms offer personal patio access, leading to stunning manicured gardens. Residents can enjoy five-star living with the perfect blend of comfort, luxury, and personalised care, tailored to their individual needs.

Accommodation

Strensall Village – where residents can experience thoughtfully designed, fully furnished rooms, some with French doors opening onto private patios.

These rooms not only provide stunning garden views but also promote independence while ensuring 24-hour care and support are readily available. Every resident has a personalised care plan, reviewed regularly to meet evolving needs, ensuring top-quality support at all times.

Strensall Common Memory Suite – offers a safe and stimulating environment for individuals with varying degrees of memory impairment associated with dementia. Specialised care is delivered by highly trained staff who maintain resident's dignity, encourage independence, and support them in making choices for a fulfilling life in a secure setting.

The Shambles Hospitality Area – offers a luxurious and dynamic experience with a range of amenities designed for socialising. Residents can indulge in hair, nails, and beauty treatments, along with soothing massages in our fully equipped salon and also enjoy movies in the in-house cinema or unwind with friends at the stylish bar and bistro. For those seeking tranquillity, the serene Waterlily Treatment Room offers the perfect retreat for wellbeing and relaxation.

Our Care Services

Residential Our suites are designed for residents to enjoy their own private accommodation within small living groups. This allows residents to maintain independence whilst at the same time ensuring 24 hour personal care is available and at hand when needed.

Dementia We recognise the needs of people with dementia and other memory impairments. We work closely with industry experts in creating the right environment that can make a big difference to people with dementia. Our accommodation has been specifically designed to provide surroundings that are homely, safe and stimulating. This includes a number of therapeutic design features created by our dementia care specialists to bring comfort and familiarity to residents. Our staff are specially trained to help manage the unique needs of residents with varying degrees of dementia and at all times we ensure our care delivery remains person-centred.

Specialist Services We also provide Palliative Care, Specialist Care Services and End of Life Care.

Respite Care

Caring for a loved one can be rewarding, but time off for both of you is essential. Respite care is a short break from caring that allows carers the time to recharge their batteries while offering their loved ones the reassurance of 24-hour care.

We provide the highest standard of care in a safe and comfortable environment tailored to individual needs. A short stay can be worthwhile for many reasons:

- 🕒 You need to take a holiday, a weekend or a few days to recharge your batteries.
- 🕒 A relative or patient is recovering from an illness/operation and needs extra support.
- 🕒 You are feeling unwell yourself and need time to recuperate.
- 🕒 Together you are considering a care home for a loved one and they would like a short stay first.

Crown Care Group

Goldsborough Manor is part of the **Crown Care Group** – a family run provider of award winning care. Our Care Homes have been family owned and operated for over 30 years.

We are very proud of retaining our unique, dedicated, caring, family values running through all our Care Home Services and within all areas of the daily management.

As experienced operators we fully understand the importance of having close relationships and oversight of our Crown Care Homes across England; as well as with all our Crown Care family, friends and their local communities.

We are recognised in the sector for being a well-established provider of high-quality care services and developers of state-of-the-art, luxurious, care home registered services.

Within our Care Homes we provide beautiful living accommodation for older people who may require:- residential care, nursing care, dementia care; as well as short stay, respite or recuperation care.

All of our Care Home staff work closely with the all various NHS Community Partners and Health and Social Care professionals in their own local areas and regular feedback evidences that our care teams are acknowledged and respected for delivering high-quality residential care services.

Committed to Resident's Wellbeing

Crown Care Group have safe effective systems of care throughout all aspects of service; processes are in place that ensure the people in our care, are valued as individuals and their welfare and happiness are at the heart of everything we do. We are always mindful that we are privileged to be entrusted with caring for your loved ones and we always ensure that we continue to support the close relationships of families and friends of all the people who live with us.

We are passionate about providing bespoke tailored individual care in our services. Creating thriving, vibrant, happy, warm, inviting, all-encompassing and positive environments for older people to live in, so they can enjoy a standard of care that is loving, caring and nurturing, yet encourages independence and promotes individuality in all aspects of daily life and where you can trust we will always put the needs and wishes of those who have chosen to live within our Care Home's at the centre of everything we do and how we do it.
